Negative (Cleared)

Based solely on the name(s) and date of birth provided, a search of the National Criminal Records repository maintained by the RCMP did not identify any records for a person with the name(s) and date of birth of the applicant. Positive identification that a criminal record may or may not exist at the National Criminal Records repository can only be confirmed by fingerprint comparison. Not all offences are reported to the National Criminal Records repository. A local indices check may or may not reveal criminal record convictions that have not been reported to the National Criminal Records repository.

Please note: this information is provided based on the identification information provided by the applicant. If there is any dispute between the information provided by the applicant, fingerprint comparison may be required, as previously consented in writing by the applicant.
